Scotteeen: - Kindly send me a catalogue of  
your publications to help complete my collection  
of coins. I'd like to purchase a silver coin made  
in 1860. Do you have any supply in good condition  
of silver dollars made in 1860? Can you supply a  
good dependable coin guide reasonably? Do  
you publish a book illustrating each and every coin  
minted by this government? I want a guide for  
the coins of this country only. Send literature.  
Yours sincerely, William V. Noel.

Dear Sir:

Responding to your postcard, I would like to say that we do not deal in coins and therefore cannot supply you with an 1869 dollar.

I am enclosing a copy of our list of publications and we should be glad to have your order for any that interest you.

I do not know of such a guide as the one for which you ask, and I doubt very much if anything of the sort has been published. The cost would be prohibitive.

Very truly yours,

THE AMERICAN NUMISMATIC SOCIETY

Secretary.
